

Bainbridge Road Grading, Drainage & Paving

A New Road... The Cuyahoga County Engineer's Office will improve Bainbridge Road from S.O.M. Center Road to the Solon East Corporation Line in the City of Solon. Construction is scheduled to begin in **late March/Early April 2010.**

Traffic... During the course of construction, two-way traffic will be maintained at all times.

Road Builders... Digioia Suburban Excavating, LLC is the general contractor. The cost of the construction contract is \$11,983,998.67.

Finance... Funding will be provided through American Recovery and Reinvestment Act of 2009 through NOACA and city of Solon.

Completion... The improvement of Bainbridge Road is scheduled for completion in June 2012.

Thank You... We appreciate your understanding of our efforts to improve the quality of this county route. It is our goal to provide an orderly flow of traffic through the area.

Patience... As work progresses, please be patient when dealing with the inconveniences of construction. We regret the temporary effects this work will have on your community.
