Infrastructure Improvements

WEEKEND WORK

The electric company, First Energy, will be working this Saturday and Sunday, November 21, 2009 and November 22, 2009 starting at 7:00 a.m. for approximately eight (8) hours a day. Pole relocation work will be performed in Phase 3 from the Village of Glenwillow to SOM Center Road. Power interruptions may occur when the power company transfers lines. First Energy will provide 48 hours notice prior to any planned power interruptions. If you experience any power outages, please contact First Energy.

Kenmore Construction will be working this Saturday, November 21, 2009 in Phase 2 (SOM Center Road to Liberty Road) and Phase 3 (Village of Glenwillow to SOM Center Road).

As part of the Saturday work, Kenmore Construction will be relocating hydrants in Phase 3. Water service interruptions may occur during the day on Saturday. Residents will receive written notice from Kenmore Construction prior to any water service interruptions. Residents are asked to check their doors for notices. Water service will be restored by the end of the work day.

For your safety and the safety of construction workers, please observe posted speed limits in the construction zones.

Please be aware of construction traffic entering and exiting the construction zones.
