Motion carried

Chairman Becker reported to the Committee that Joe Menger, who served on the Committee, had suddenly passed away while on vacation in Florida. A card was sent to the family from the Committee.

The Committee was shown the marketing piece that will be sent to the residents. All were in agreement that the piece was fabulous. It was the opinion of all on the Committee this was a piece that the residents would read and not trash. It was short but to the point and the pictures is very graphic with the message being sent.

Mr. Stanek reported a short update on the projects in progress.

The next meeting will be May 28, 2008 at 6:30 p.m. in the City Hall Caucus.

The meeting was adjourned at 6:55 p.m.
