RE: City Services

The City of Solon Service Department continues to prioritize the health and safety of our employees and residents. Certain services of our Rubbish and Recycling Program will remain suspended to optimize the health, safety, and welfare of our employees.

Until further notice, the Service Department will NOT be accepting residential drop off at the Service Department.

Automated curbside pickup, brush, and lawn bag pickup will continue, without disruption.

However, the following changes will be made for curbside pickup:

- All rubbish and recycling must be placed into the carts – no additional rubbish outside of carts
- Construction debris will not be picked up
- We will continue to pick up, with our crane truck, large appliances.
- Bulk items, such as mattresses, couches, chairs, cabinets, will NOT be picked up.
- Household Hazardous Waste curbside pickup has been suspended until further notice

Earth Day Celebrations and Tree Seedling Bagging have been cancelled. Additionally, compost and mulch sales have been suspended.

If you have bulk items or construction debris and cannot wait until the City resumes picking up these items, you can contact a local waste hauler for additional disposal options.

The Service Department will make changes to this policy, as needed.

Please contact the Service Department at 440-248-5834, if you have any questions about curbside pickup.

Simple Recycle will be resuming their collection program starting on Tuesday April 28, 2020. Please call 866-835-5068, if you have questions regarding Simple Recycling

We apologize for any inconvenience this may cause.
