When did you open your business in Solon?

Cuts N Curls for Boys & Girls opened in 2007 and is located at 6025 Kruse Drive, Suite 112 (uptown Solon Plaza).

What's your most popular service?

Our kids cuts are definitely what we are known for. It takes a very talented stylist to be able to do a quick and efficient haircut on a moving target. Our goal is to take the stress out of getting your child's hair cut, and we know better than anyone that it's not always an easy task. However, we get it done in a safe and worry-free environment. Although, we do specialize in children, we are full-service salon and love to see the whole family.

What can Solon residents do to help support your business during the pandemic?

We would love to see you for a haircut! We promise we won't disappoint! We have gone above and beyond to ensure the safety of ourselves and our clients during this time. We have successfully made it through the first six months and appreciate all the support. You can also help support us by shopping in our retail section. We have organic products, unique toys, and all of our accessories and apparel are made by local moms. You can also stop in to purchase a gift card.

What makes your salon unique from others like yours?

We take the time to get to know the parents and children of every family that comes in. Everyone who works at Cuts N Curls has been here for four or more years. We really take the time to form a special bond with each family, and it's always the same familiar faces when you come in. All of our clients are part of our Cuts N Curls family!

Are you offering any specials or fun deals right now?

Every weekend, we have fun fall activities planned for the children to do after their haircut, such as fall crafts, sidewalk sales and tie-dyeing a mask. We are currently offering private haircuts on Tuesdays and Thursdays from 8:30-10 a.m. As well as private birthday parties where you can have the whole salon to yourself! We will also have Trick or Treat stations set up in October as well as a Halloween Egg Hunt that you can sign up for on our website. Halloween eggs are delivered right to your home and will arrive on the evening before Halloween. The Halloween eggs are filled with pre-wrapped, name-brand candy and small novelty toys. They are scattered in your front/backyard overnight. Get more information on our website: cutsncurls.net/halloween-egg-drop.
