**The Imperial Wok** has been a fixture in the Solon community for over three decades and we became owners in July 2018 with a commitment to maintain the same business model and employees that has made The Imperial Wok a success for so many years.

#### **What are your most popular Chinese specialties and cocktails?**

The Imperial Wok has maintained its popularity over the years with food consistency. Some of the more popular traditional Cantonese style dishes are General Tsao's Chicken, Sesame Beef and Sweet & Sour Chicken/Shrimp, along with a variety of Fried Rice options and daily homemade soups. Over the years, new dishes have been created to expand our offerings. Singapore Noodles and Pad Thai are examples of items that bring other popular cultural fare to our diverse menu. Handmade Potstickers, Egg Rolls, BBQ Ribs and Crab Rangoon are a few of the favorite handmade appetizers.

#### **And you also offer Sushi?**

We offer a full Sushi bar with an extensive menu that provides a popular array of six-piece Maki Sushi Rolls such as the California and Ebiten, along with many other options. Larger eight-piece Sushi Rolls are also offered like the Imperial Futo or Red Dragon that becomes a meal in itself. Always fresh and prepared daily, Sushi is offered in traditional style, Nigiri or Sashimi. Hand rolls are also offered for many Sushi items as well as unique appetizers like Stuffed Avocados or Jalapeno Poppers.

#### **How about drinks?**

We have a full bar offering a variety of saki and handmade cocktails. The signature Zombies and Mai Thais are customer favorites.

#### **What sets you apart from competition?**

The Imperial Wok's success over the years is due to our unique recipes and experienced staff. Everything is prepared fresh and handmade – there are no shortcuts. The dedication and experience of staff members enhance both food and customer service results.

#### **Have the recipes, staffing and suppliers remained consistent over the years?**

Every aspect of The Imperial Wok has remained unchanged. This remains our commitment since we took over ownership in 2018. All recipes are documented for consistency, both food preparation and food supplies have remained the same, as has our experienced team of chefs. Our success is directly tied to a long-term relationship with the Solon community and customer base.

#### **Does the Imperial Wok offer catering services or the ability to host private events?**

We provide catering for individuals, customer events and corporate functions. Pricing and deliverables are tailor-made based on needs. Large Sushi trays are very popular and provide a unique presentation, and our private party room is spacious and can be reserved for any type of event. Custom-designed menus and setup are created to make each event special.

#### **Is your dining room fully open for business? What options does the community have to enjoy Imperial Wok?**

The dining room and bar re-opened in October 2020, and temporarily closed for the holidays due to the pandemic protocols that come with the typically large holiday crowds. Both dining and bar re-opened for dinner only in early January 2021, and have remained opened five days a week Wednesday – Sunday at 4 p.m.

We are working on a plan to re-open our lunch operations again this year soon.
