

SOLON BUSINESS SPOTLIGHT

Pulp Juice and Smoothie Bar

34352 Aurora Road • 440-600-7372

When did you open your business in Solon?

I opened my location in Solon on March 8, 2018.

Why did you choose Solon?

I grew up in Solon and it was my top choice for my location. When I decided to open, there wasn't a good location available here, so I opened my first location in 2016 in Parma. My space in Solon became available in 2018 and I jumped on it for my second location. Solon is a great community to get involved in, everyone is so generous. We just completed our first ever Thanksgiving food drive and collected a truck full of food to help the community. We love to support everyone who comes through our door asking for a donation for their fundraiser. Giving back is a huge part of our business, as we certainly have been blessed tenfold by the community of Solon over the years.

What does Pulp have to offer?

We have over 35 smoothies as well as energy bowls, salads, wraps and fresh squeezed juices. Our Protein Packer made with bananas, chocolate and peanut butter is by far our most popular. There is certainly something on the menu for everyone!
