

SOLOON BUSINESS SPOTLIGHT

29425 Aurora Road • chagrinvallysoapandsalve.com

**IDA FRIEDMAN KASDAN, FOUNDER
AND SAM FRIEDMAN, DIRECTOR**

When did you open your business in Solon?

The business was founded in 2003 in our home in Moreland Hills. We moved to our first location in Solon on Naiman Pkwy in 2011 and our current on Aurora Rd in 2015.

Why did you choose to locate in Solon?

We were looking for a location that was close to our families' homes, connected via freeways and in a modern city filled with residents and businesses. The business & manufacturing corridor along Harper/Cochran and Aurora offered great options for us to find a mixed-use building with offices and manufacturing in the perfect location.

What are some of the products you provide and what is the most popular?

We sell USDA Certified Organic Skin Care, Hair Care & Bath Products. Some of our most popular items are our Shampoo Bars, Face Cream, Deodorants and our Baby and Pet products.

What sets you apart from competition?

All our products are USDA Certified Organic as well as being handcrafted in small batches with carefully sourced ingredients and plastic-free sustainable packaging.
