

MEMORANDUM

To: Current Resident/Property Owner/Stakeholder
From: John J. Busch, PE, City Engineer
Date: September 20, 2021
Re: Property Owner Project Notification
Reconfiguration of the US 422 Interchange at Harper Road
Project No. CUY-US 422-16.20 - PID 113889
City of Solon, Cuyahoga County Ohio

We are writing to advise you that the City of Solon, in conjunction with the Ohio Department of Transportation, has proposed a project that will include the reconfiguration of the US-422 interchange at Harper Road (CR-18) in Solon, Cuyahoga County, Ohio. Work will include the construction of a Diverging Diamond Interchange (DDI) to improve mobility, traffic flow and safety. In addition, the proposed project will include the following:

- Removal of the US-422 west bound loop ramp.
- The newly constructed US-422 west bound ramp will be widened to two (2) lanes to allow for a left turn lane and a right turn lane onto Harper Road.
- Removing pavement along Harper Road and replacing with an asphalt concrete pavement section.
- The addition of 6-foot-wide sidewalk on the west side and a 10-foot-wide dual-use-path on the east side of Harper Road.

As you are a nearby resident/property owner/stakeholder, or other interested party, the City of Solon wants to make you aware of the upcoming project. The City of Solon welcomes your questions and comments. Issues you may wish to comment on could include, but are not limited to, the effect of the project on local residents, air quality, the local economy, floodplains and historic or cultural resources. Comments are requested by October 22, 2021 to ensure your comments may be considered during project development.

The City of Solon sincerely appreciates your cooperation and assistance so the development of this worthwhile project can continue. If you have any comments, concerns, or questions regarding the environmental impacts or project design, please feel free to contact me at (440) 349-6745 or email me at jbusch@solonohio.org. **Please submit any comments regarding the environmental impacts and/or the proposed project by October 22, 2021 to ensure your comments may be considered during project development.**

Sincerely,

John J. Busch, PE
City Engineer
