What services do you provide your customers?

We pride ourselves on pampering our four-legged friends with quality grooms that leave them feeling fresh and healthy. We offer bath, brush, nail trims, ear cleaning and haircuts. We work with each owner individually on what works best for their pet and lifestyle. On top of our bath or groom services, we also offer complimentary blueberry facial scrubs and have other additional add-ons, such as the Furminator de-shedding treatment, a deep-sea mineral mud bath and a hot oil treatment.

What makes the Grooming Station stand out?

Our groomers have over 35 years combined experience in the industry. The staff here truly value our clients (two and four legged) and strive to provide the best experience to our customers. We would like to acknowledge our hard working and dedicated team who make what we do possible – Hailey, Sam, Sydney, Adrianna, Ashley, Laura, Jessica, Katelyn, Dex and Tanya.
