

CITY OF SOLON

MISSION

Solon is committed to enriching the quality of life for all our citizens by delivering superior services which promote a **safe, active, healthy** and **connected learning** community.

VISION

3 pillars:

OPPORTUNITY
Educational, career and service opportunities are available to all

GROWTH
We welcome more people and businesses to support our thriving economy

DIVERSITY
We are proud of our diversity and embrace our differences

Our vision:

Working, learning, thriving together in an inclusive and forward-thinking community.

Providing the **highest quality of life** through essential infrastructure, recreation, services and education.

Embracing diversity & inclusion through a culture rooted in compassion and kindness.

Fostering **open and transparent communication** by seeking constructive feedback and letting all voices be heard.

Embodying an **innovative mindset** as a city that welcomes change.

Committing to the **safety and security** of our community.

Supporting a **pro-business environment** among commercial enterprises and providing plentiful opportunities for furthered **growth** and development.

The City of Solon is committed to:
CORE VALUES

Meeting and exceeding expectations by consistently striving to provide the **highest level of customer service.**
