The City of Solon would like to help you find the voice & data communications services that you need. If you are a business considering a location in Solon, a commercial building owner with available space for lease or sale, or an existing Solon business with a communications concern, you may be eligible for consultation services at no cost. The City of Solon will provide a consultant to evaluate your business' needs and provide independent, objective and current advice on major and alternative vendors that provide the desired services.

Consultation may cover any or all of the following:

- Internet bandwidth options
- Voice services—Internet & traditional
- Disaster recovery options
- Cloud-based services
- Ombudsman for service provider issues
- Specialized program for moves & service changes

Services provided by Commtrol, a voice & data advocacy firm. Additional services available at the client's expense.

The City of Solon does not discriminate on the basis of race, color, national origin, sex, religion, age, or disabled status in employment or the provision of services.
