

Accessory Structures, Additions, Fences Residential Applications

Solon Building Department Phone (440) 349-6737

Minimum Submittal Requirements

1.) Residential Application for Permit

2.) Site plan that provides the following minimum information:

_____ Location of all lot lines

_____ Location and orientation of the proposed structure,
addition, or fence

_____ Width and length of the proposed structure, addition,
or fence

_____ Distance the structure, addition, or fence is proposed to
be located from any lot line.

3.) Elevations of the proposed structure, addition, or fence

- A site plan is a map of your property that illustrates the location and footprint of existing and proposed structures.
- An elevation is a drawing of the exterior of the structure on all sides.
- One (1) copy of application, site plan, and elevations are required. If any document is larger than 11x17, submit five (5) copies.
