

Ordinance 440.13 Moving Construction and Heavy Vehicles and Structures

Applicant: _____ Contact person name: _____
 Business Name

_____ Phone number _____
 Address

_____ City, State Zip code _____

Machinery/Vehicle Description

Identify name/type: _____
 Aggregate weight: _____
 Width: _____ Length: _____ Height: _____

Vehicle or machinery of an aggregate weight of twenty tons or more shall pay a permit fee of \$10.00 for a single trip or \$150.00 for a continuing 90 day.

Specify date and the hours within which such moving shall be done: _____

Specify street or streets upon or over which such vehicle or machinery is to be moved or transported: _____

If deemed necessary, the City Engineer may require a cash deposit in such amount as he or she may deem necessary in any sum not in excess of one thousand dollars (\$2,500) to insure against loss, damage or injury to the street or highway by reason of such moving in accordance with Ordinance 440.

In the event of any such loss, damage or injury, the same shall be repaired by the city and the cost thereof deducted from such deposit, and the balance returned to the applicant. Be advise of the following authorization, "In the event of harm or damage to public facilities, I herewith authorize the City to draw from such deposit such amount as shall be reasonably necessary to reimburse the City or other public agency for its damage and expense, and further will pay such additional amount as shall be necessary if the damage be of greater cost."

_____ Signature _____ Date _____

 Print name from above
