We need YOUR support!

Solon Center for the Arts is proud to announce the start of the 2018-19 Solon Philharmonic Orchestra Season. The orchestra, entering its ninth year, presents classical masterworks and popular favorites to the greater Solon community while providing an opportunity for amateur musicians to share their passion for music. Please help to support SPO this season, whether by contributing through a donation or attending a concert. Each and every dollar used will be given to the orchestra to sustain its artistic mission.

This is your chance to contribute to the cultural vitality of the community and help support what makes Solon great! We hope that you will show your enthusiasm for the arts and play an important part in the continued success of the Solon Philharmonic Orchestra.
