

TRAFFIC ADVISORY (Updated 12/07/2018)

Darrow Rd Improvements from Glenwood Dr. to Lisa Ln. (Solon City Limits)

Saturday, December 8th & Sunday, December 9th: The contractor will be working this weekend to prepare for paving next week. (*Council Motion passed on 11/27/2018 to permit Sunday work.*)

Week of December 10th: Paving will be occurring on the east side of SR91 between Glenwood and Solon. The contractor will prep, pave, strip and begin working on the Ethan's / Meadowood signal to set up for the next phase of construction. Expect Delays.

Week of December 17th: The Meadowood Blvd and Darrow Road (SR91) intersection will be closed to all traffic on December 17th. A detour route using Glenwood Dr / Scenic View to Meadowood Blvd will be posted.

Ethan's Drive and Darrow Road will be opened to traffic later in the week. Left turns entering from southbound Darrow Road on to Ethan's Drive **will be prohibited**. The existing detour route utilizing Glenwood Drive to Ethan's Drive should continue to be utilized for this traffic movement.

This traffic pattern is anticipated to remain in effect through the winter.
